

# Governor's MONTHLY LETTER / AUGUST 2021

*Shinichi Miura*  
2021-22 Governor,  
Rotary International  
District 2750

## Governor's message

Rotary International District 2750 2021-22 Governor **Shinichi Miura**

## Let's welcome our friends and create a path to walk together.

The second Olympics to be held in Tokyo are currently underway, as are the Official Visits.

August is "Membership and New Club Development Month." RI President Shekhar Mehta has imparted the following message to us: "I urge you to dream big, guided by our shared vision for Rotary." He also requested that we "plan, set and reach goals" as well as "do more and grow more."

RI President Mehta also made the following remarks: "So, friends, the dream is to increase our membership to 1.3 million by 1 July 2022! How can we reach that incredible goal? The answer is each one, bring one — ask each Rotarian to bring one member to Rotary... As Rotarians in every club do this, they too will become 'change-makers,' as they will change for good the lives of each person that they make a Rotarian... 'Do more' as in bigger and impactful service projects, and 'grow more' as in increasing our membership and expanding the participation."

Rotary activities in Japan are on the verge of marking their 101st year. The time for the "start of a new journey" is at hand. Let us welcome our new brethren in large numbers and forge a path that we will walk down side by side. RI District 2750 has approximately 4,600 members. Our District Strategic Plan calls for us to increase that membership to 5,000 by the end of 2024. 2021-2022 is the year in which we will put that plan into action.

Developing our membership is something to be

enjoyed, not endured. After all, greater membership translates into more friends, gatherings of fellow Rotarians who engage in service together, the devising and implementation of new activities directed towards local communities and the world, and the enhanced appeal of the Rotary Club. In particular, developing our membership among women and younger generations is also necessary in order to promote diversity in the Rotary Club and entrench the concept of "DEI" (Diversity, Equality and Inclusion) in Japan.

Our female membership worldwide as a percentage is roughly 24%. Meanwhile, in Japan, RI District 2750 exhibits the highest such percentage at 12%. For the dual purpose of elevating that percentage to a level on par with the global figure and embracing how Rotary ought to exist in a new era, I ask that you please develop our membership among women and younger generations.

I would also like to note that Rotaract Clubs (RACs) and Rotaractors are now recognized as clubs and members, respectively. While developing the membership of existing RACs, please move forward with the organization of new ones. Our next move will be to provide learning opportunities for becoming the next generation of Rotarians to those members, have them form an understanding of what Rotary is about, and jointly expand our circle of activities. Together, we can do it.
