Rotary International
District 2750
Shinichi Miura

Governor's message

Rotary International District 2750 2021-22 Governor **Shinichi Miura**

Engage in fulfilling service activities with renewed sentiments for the New Year!

Happy New Year. I hope that 2022 is a wonderful year for you all.

The 2020-21 year got underway under a state of emergency (SOE) declared due to the COVID-19 pandemic. Until the end of October when that SOE was lifted, it was difficult for us to see others face to face.

We had to ask you all to get creative in various ways in order to make The Official Visit happen. Thanks to your efforts, we were able to wrap up the last Official Visit in Japan on November 30. I have nothing but gratitude for the passion that the Presidents, Secretaries and all other members have for Rotary, which is what made that possible. I have renewed my resolve to pay a visit to the Pacific Basin Group (PBG) this year at all costs.

From Fall, district conferences all across Japan began as well. These gave me an opportunity to pay visits to districts that were able to take part in those conferences. In October, I participated in a Rotary International presidential conference held over Zoom in Gyeongju, South Korea in which I presented examples of "disease prevention and treatment" being implemented in District 2750.

Over the one-week period starting on October 18, the District Public Image Committee spearheaded a "train jack" campaign that consisted of displaying hanging ads saying "END POLIO NOW" in train cars on various JR lines in and around the Tokyo area. In addition, on the final day of that week, we held a walk rally alongside our fellow Rotarians, Rotaractors and

individuals who overcame polio as an enlightenment activity for World Polio Day. The outcomes achieved by everyone that week were stupendous.

January's theme is "Vocational Service Month." We had approximately 200 members take part in the Vocational Service Seminar held last November, a number that well exceeds participants in previous years. I am sure that I was not the only one who acutely felt that having a vocation is what makes it possible to pursue Rotary activities.

A number of events have been scheduled for the latter half of the 2020-21 year. These include the district conferences to be held on February 21 and 22, Intercity Meetings (IM), Rotary Day of Service projects, and commemorative ceremonies for clubs. I hope to take part in those events and engage in discourse with my fellow Rotary members. Moreover, at the Rotary International Convention to be held in Houston in June, I intend to organize a Governor's Night in one of the United States' great centers of spaceflight, and spend the night talking with many fellow members about our trajectory over the past year.

Membership development has been one of our overarching themes throughout the year. I ask for your cooperation in order for us to fulfill our role as a leading district that has welcomed many of our peers to grow to 5,000 members. I vow to make 2022 a year of fulfilling service activities in which we gain numerous peers together with our club members.
