

Governor's message

Rotary International District 2750 2022-23 Governor

Tameichi Tomizawa

**Let's connect
our hearts together**

**IMAGINE
ROTARY**

I am in the midst of my official visit, and I am very much looking forward to meeting you all in person.

October is Rotary's "Community Economic and Development Month". Communities are all around us and all around the world. Every country has different standards and disparities. What actions can we take to contribute to the economic development of our communities? Society is made up of connections between people. Recently, I have become addicted to a certain drama. It is a live-action version of a comic book about a young protagonist who rises from the bottom to the top of his industry. He starts a restaurant with just four friends and grows up while facing many challenges. The protagonist trusts his diverse group of friends and overcomes difficulties to grow his business. He lends a hand free of charge to a struggling store nearby, and in the spirit of coexistence and co-prosperity, he has brought revitalization to the community. I look forward to the next episode every time. I notice that the drama and the spirit of Rotary share something in common. While we do our service alone, we can make bigger impact when we join forces with many others. By addressing and implementing Rotary's seven areas of focus, we can improve our community's infrastructure and economic development. It is important that we work together as a community, not only with our fellow Rotarians but also with other groups, to promote Rotary's vision statement: **TOGETHER WE SEE A WORLD WHERE PEOPLE UNITE AND TAKE ACTION TO CREATE LASTING CHANGE ACROSS THE GLOBE IN OUR COMMUNITIES AND IN OURSELVES.** Let's work together with the people of our diverse community,

hand in hand with our hearts and a broad perspective.

This month is also Yoneyama Month. Support for Yoneyama Scholars is a program unique to Japan. After completing the program, the overseas scholarship recipients are connected to us as alumni and have spread their wings around the world. By utilizing their expertise learned, they are active in achieving international understanding and world peace as Rotary family in various locations. The number of alumni who have become Rotarians is also increasing. The seeds we planted are growing and bearing fruit. We would like to support more scholars, but it would require more funds. The source of funds is our contributions. Your continued support would be much appreciated.

October 24 is World Polio Day. District 2750 will be playing a biographical drama movie called "Breathe" at Ginza Blossom Hall. In cooperation with the Public Image Committee, we will also show a short movie introducing our activities at the beginning. Please invite your family and friends to the event. This would be a great opportunity for everyone to learn more about Rotary through our polio eradication efforts.

We don't know when the war in Ukraine will end. As you will see in MY ROTARY, Rotarians around the world are extending helping hands day after day. After the war is over, we will need to provide even further assistance. Let's keep it in mind and never stop extending our continued support.

I look forward to seeing you all during my official visit.
