

Governor's message

Rotary International District 2750 2022-23 Governor

Tameichi Tomizawa

**Doing Good
in the World**

It is November, the season of deepening autumn. It has already been five months since I took office as governor. By the time you read this Monthly Letter, I will have visited 71 of the 88 clubs in Japan. Most of the topics of our social gatherings are friendship exchange and membership development. We are concerned about the lack of communication among members due to limited activities amid the coronavirus pandemic. Let us not only wait for the development of an effective vaccine or a magic bullet, but also act by using all the measures currently available to prevent infection.

This month is The Rotary Foundation Month. The Rotary Foundation (TRF) was established in 1917 at the proposal of Arch Klumpp, President of the International Association of Rotary Clubs, as a fund to enable Rotary to do good in the world. The mission of The Rotary Foundation is to foster international understanding, goodwill, and peace through improvement of people's health, provision of quality education, environmental conservation, and elimination of poverty.

The foundation's global grants (GG), which are designed to address large-scale projects in the seven areas of focus, are funded by contributions from around the world. Rotary Foundation Scholarships are also funded through these grants. It is used for District Grants (DG) as well, which allow clubs to address community needs. In addition, we provide scholarships for fellows studying at the Rotary Peace Centers, and it is our mission to send as many Japanese Peace Fellows to the Peace Centers as possible.

Eradicating polio is a promise Rotarians made to the children in the world. Our promise must be fulfilled.

This year, on World Polio Day, we showed the movie "Breathe" to make people aware of the tragedy of polio and introduced Rotary's efforts to eradicate the disease. We are only one step away from polio eradication. Let's keep working together until polio is eradicated from the world.

The Rotary Card automatically contributes 0.3% of the amount spent to The Rotary Foundation. The Paul Harris Society (PHS) recognizes members who have pledged \$1,000 to The Rotary Foundation each year. Get your card during this month and join the PHS. Your support will add up to make a big difference.

Some clubs have not entered their contribution target in MY ROTARY. Contributions start with setting a target. Then, strive for it.

The people of Ukraine are still suffering from the ongoing conflict. Contributions to The Rotary Foundation's Disaster Relief Fund from around the world are being used to purchase medicines, food, clothing, and other necessities in Ukraine. Last year, District 2750 contributed US\$100,000 from its District Designated Fund (DDF) to this fund. This year, the fund will be used to construct temporary housing in Moshchun for residents who have returned to the destroyed town. Each district can apply for up to \$25,000, and as a representative of the 16 districts in the country that have agreed to support this project, I have received a total of \$400,000 in grants, which have been sent to Ukraine. This grant will allow us to build 32 houses.

Contributions are often referred to as the second service activity. Your deeper understanding on The Rotary Foundation, participation in its activities, and contributions to support would be much appreciated.
