

Governor's message

Rotary International District 2750 2022-23 Governor

Tameichi Tomizawa

All Together at the District Conference

**IMAGINE
ROTARY**

This month is Peacebuilding and Conflict Prevention Month.

The conflict between Ukraine and Russia that suddenly broke out last February has had a negative impact on the global economy over the past year, including logistics and energy issues. In Japan, extreme weather like heavy snowfall due to climate change and the re-spread of Covid-19 are also unpredictable. In these times when individual way of life is being questioned, I would like to act with sincerity based on the Four-Way Test.

The Rotary Peace Center Program is a scholarship program that supports master's degree completion and professional development to nurture individuals who will become leaders for world peace. The Rotary Peace Center's partner university, International Christian University, currently has 18 fellows. Four of the fellows are supported by club members from our district as counselors. Unfortunately, however, the number of Peace Fellows from Japan is still small. Please nominate highly motivated and passionate individuals. There are six Rotary Foundation Scholars this year who have received global grants. Three of them are studying "Peacebuilding and Conflict Prevention" at graduate schools in their host countries. The scholars we have sponsored are engaged in research and activities to eliminate conflict in all regions of the world. We hope that their studies and practices will lead to the realization of world peace. Let us work to increase the number of such scholars. To that end, let's increase our contributions to The Rotary Foundation.

The district conference will be held on the 20th and 21st of this month with the slogan "Expand Rotary" and a goal of all 4,600 members in attendance. Please enjoy the "Plaza of Friendship," which is back for the

first time in three years, with booths from clubs, district committees, the family of Rotary, and PBG on both days.

On the first day, there will be a lunch meeting connecting PBG members and members in Japan, a welcome luncheon for Rotarians from our sister districts in Korea and Taiwan, and a dinner reception for the president's representative Akira Miki and his wife. We look forward to seeing you there.

On the 21st, following the second meeting of club presidents and secretaries in the morning, the president's representative Akira Miki will deliver his address and RI status report from 1:00 p.m. Please do not miss the presentations from PBG, the family of Rotary, and Rotaract on their activities with the concept of "Connection". After the introduction of clubs, Mr. Susumu Hara, Director of Aoyama Gakuin University Track & Field Team, will deliver a commemorative speech. We are looking forward to hearing about this year's "Hakone Ekiden", Tokyo-Hakone Round-Trip College Ekiden Race (relay race), including behind-the-scenes episodes and his aspirations for the next race in 2024. Entertainment will be provided by Kabuki actor Hashinosuke Nakamura (Aoyama Gakuin alumnus), who will perform the heroic program "Shakkyou" (Stone Bridge). Aoyama Gakuin is the school where Mr. Umekichi Yoneyama, the founder of the Rotary Club of Japan, dedicated his service to education. Mr. Yoneyama's spirit of service has expanded Rotary in Japan, which is now connected to Rotary around the world. The world is big, yet the world is close. Let's take advantage of Rotary's international network and see you at the convention where each member of the family of Rotary will be connected.
