Rotary Connects with Everyone

Hello April! It is the month when a new stage begins in Japan. Unlike last year, this year's initiation and entrance ceremonies seem to be brighter.

Humanity who has been living without masks, has been forced to wear them due to the Covid-19. Seasonal events have been lackluster for the past three years. But the Covid-19 has not only left us with a negative legacy: the rapid evolution and use of information technology, changes in working styles, schooling, and so on. Communication has become easier from anywhere, and meetings and seminars have become much more efficient. Rotary meetings are also more easily accessible online, making it easier than ever for the Rotary family to participate and interact with each other. But the real joy of Rotary is the face-to-face. Direct contact and sharing the warmth of people's hearts leads to heart-to-heart exchanges and deepens friendships. Let's make more efforts to create a comfortable and vibrant club, and let's make our Rotary life more enjoyable.

More than a year has passed since the Russian invasion of Ukraine, and the damage has been spreading more and more. It is heartbreaking to see the destruction of cities and the sacrifices of so many people. Rotarians around the world are standing up not only to raise funds but also to directly support those in need. The damage caused by this war is a man-made disaster, but the tragic earthquakes in Turkey and Syria are a natural disaster. Every time I saw civilians being rescued from collapsed buildings on TV, I was acutely made aware of the wonders and the threats of nature. I felt frustrated that I could not directly rescue the victims myself, and all I could do was pray for their safety. We are far away from the disaster area, but what we can do is to raise funds to help people get

back to their daily lives. We have our fellow Rotary Clubs in Turkey. 34 districts including RID2750 have put together a plan to ensure that the contributions from the members will be put to good use immediately. The money will be sent to the Rotary Club of Gaziantep Yesemek, District 2430, in the affected area. It will take many years to recover from the disaster, and it is important to provide not only money and goods, but also mental care, especially for children.

There are many areas in the world where mothers and children are suffering due to various factors such as prolonged conflicts, climate change, economic disparity, and delayed education. Rotarians are going there to do service activities themselves, and with the help of Rotary Foundation grants, they are carrying out projects that will lead to improvements. The longer these actions continue, the closer we are to solving the problems.

On March 22, a beach cleanup was held in Guam to commemorate the 50th anniversary of Pacific Basin Group (PBG). A total of about 70 members participated in the event, both from PBG and Tokyo. We conducted a beach cleanup around Ypao Beach and planted commemorative trees there. The event was an environmental conservation activity in advance of April, the Environment Month.

There are only three months left in this Rotary year. Is there anything you would like to do or anything you have left to do? It's not too late. We are planning events to expand Rotary in May. We have a Vocational Service Seminar, Homecoming Day, Step Up Seminar, and Rotary Day. Invite those close to you to join us and enjoy these events that connect you to others. We look forward to seeing you there.
