Rotary International District 2750 2021-22 Governor

Tameichi Tomizawa

**Let's get
more fellows**

**IMAGINE
ROTARY**

Dear fellow Rotarians. It has already been a month since the 2022 Rotary year started. Under the leadership of our new club presidents, I know that you are working hard to create the future and realize the Rotary's great dreams. The photo on the top is a special one of my wife and I with RI President Jennifer Jones at the RI convention in Houston. She is holding a fan that I presented as a souvenir from Japan. I hope that it will help her to bring a breath of fresh air.

August is "Membership and New Club Development Month". There are 36,614 clubs in over 200 countries and regions with 11,602,763 Rotarians, according to RI announcement as of May 18, 2022. Membership has, however, been declining in recent years. Can we afford just to stand by and do nothing? Rotary, now in its 117th year, continues to make significant change and progress. The arrival of the first female RI president is accelerating DEI, broadening the base of participation and delivering sustainable positive changes to Rotary. Rotaract clubs have become closer to Rotary clubs and are now recognized as Rotary members. The increase in the number of female members and young members under the age of 40 in the clubs will raise their potential, which will be reflected in the composition of their leadership teams. Last year, the Rotary Club of Tokyo Barrier Free Mind joined the Ginza/Nihonbashi Group as a new member. There are signs of new Rotary and Rotaract clubs emerging this year as well. In other districts, new Rotary clubs

have been founded entirely by ROTEX members. Alumni who have completed various youth development programs are beginning to connect, and the power of the Rotary family is coming together. Rotarians, Rotaractors and the Rotary family from the Czech Republic, Poland and Denmark have been actively engaged in transporting relief supplies and taking in refugees to help Ukraine. While we are at the mercy of the COVID-19, our efforts to help Ukraine and eradicate polio have never been stopped. President Jones called to take action all together around the world for Polio Day on 24 October. Simultaneous action at the club and district level will not only enhance Rotary's public image but will also energize participating clubs and strengthen their foundations. We encourage your clubs to get involved and actively participate in the event.

The district website was renewed on 1 July. It has full of contents, such as an overview of the district, information on clubs and committees, how to use My ROTARY, as well as introductions to Rotary for society. We hope you will find it useful, along with the handbook we have sent to each of our members. By the time the August Monthly Letter is published, I will have already visited five clubs. I am looking forward to these visits, which are very important as they allow me to meet our members face to face and to have heart-to-heart communication. People smile when they feel happy. Let's keep on smiling and realize a future with full of smiles, "with the spirit of Rotary".
