

Governor's MONTHLY LETTER / AUGUST 2021

Governor's message

Rotary International District 2750 2021-22 Governor **Shinichi Miura**

Rotary will keep on moving forward even in the face of the COVID-19 pandemic!

We are already three months into the 2021-22 year, which got underway at a time when the world is facing a pandemic the likes of which only comes once every 100 years. From the perspective of our President, Secretary and other members as well, I imagine that Rotary activities under the State of Emergency declaration got off to quite a rocky start. However, us Rotarians have an indomitable fighting spirit. Even the time 100 years ago when the Spanish Flu spread like wildfire, Rotary boldly rose to the challenge of pursuing its activities without suspending them, overcoming that pandemic brilliantly. Rotary Clubs and Rotarians around the world have been tackling the current COVID-19 similarly: by not letting up and instead continuing to pursue their activities while standing at the forefront of efforts to eradicate the virus.

October is "Community Economic Development Month." It is a time during which we enhance our regional networks with entrepreneurs, community leaders, local groups and other parties for the sake of economic development in impoverished regions, and stress the creation of employment, the mitigation of poverty in communities where assistance efforts are less than thorough, and scholarship support for professionals who seek to engage in work related to community economic development.

Simultaneously, in Japan only, October is also "Yoneyama Month," meaning that it is also a time when we deeply recognize the significance of the Rotary Yoneyama Memorial Foundation Scholarship and collect donations for that purpose. I hope to invite Yoneyama Memorial Scholarship recipients and members of the District Yoneyama Memorial Scholarship Committee to a roundtable to listen to them speak. During the week that includes October 7 in particular, alumni are encouraged to pursue their

activities alongside and deepen their exchange with their local Rotary Club.

On October 5, the first of the seven presidential conferences proposed by RI President Shekhar Mehta will be held in the South Korean city of Gyeongju. The theme of this first meeting will be "The Environment and Disease Prevention and Treatment." Representing Japan at the conference is Waseda University Professor Emeritus Masahiro Amano, who will give a lecture entitled "The Creeping Threat of Marine Pollution" during the morning session. An activity presentation on the "Global Environment Support Project" will be given by District 2820 as well. Additionally, on the topic of "disease prevention and treatment," the Governors of Districts 2570, 2630, 2710 and 2750 will present on projects being implemented in their respective districts. As the conference will be held in a Zoom meeting format, you are all encouraged to attend.

October 24 is "World Polio Day." In District 2750, the District Public Image Committee will spearhead a project entitled "Train Jack Project" that will take place between Monday, October 18 and Sunday, October 24 and will involve the placement of ads reading "END POLIO NOW" in the women-only passenger cars of trains operated by the East Japan Railway Company. This project will be co-organized by the members of Districts 2580, 2590, 2770 and 2790. On the final day of the project, to coincide with an event to be held in the plaza in front of Yurakucho Station in Tokyo, a walk rally whose participants will wear T-shirts that read "END POLIO NOW" will take place from the Marunouchi Exit of Tokyo Station to the event venue. We anticipate the participation of many Rotarians in this walk rally.

Let us not waste any time in taking "action through which we connect with a spirit of service."

District 2750 Membership Report August 2021
