

Governor's MONTHLY LETTER / MARCH 2022

Governor's message

Rotary International District 2750 2021-22 Governor **Shinichi Miura**

A cycle of service is what will save the world.

Allow me to preface this message with my deep apologies for the inconvenience caused to many of you by the change made to the schedule for the District Conference, the biggest event of the 2021-22 year, from February to May. Please understand that the change, which was made out of necessity due to the rampant spreading of the Omicron variant, was the product of our sheer desire to see you and talk with you all for the first time in two years. I wish to extend my sincere gratitude to District Conference Committee Chair Ryuichiro Tanabe and the other Committee members for their efforts as well as those by everyone else who continue to assist us. We promise that on Thursday, May 12 and Friday, May 13, we will realize a successful District Conference that will stay with you long after it is over, and encourage our fellow Rotarians and Rotary Family members to attend the conference.

There are concerns that the contamination of drinking water caused by the massive eruption and tsunami of Hunga Tonga on January 15 will affect human lives. In addition to many citizens losing their homes, the Rotary Club of Nuku alofa on Tonga also fell into a state of disfunction. At the time of the Great Eastern Japan Earthquake, the Kingdom of Tonga, which has a population of roughly 100,000, remitted donations of nine million yen to Japan. Believing that it was now our turn to rise and support the people of Tonga, the Governors of Japanese District 34 cooperated in issuing a request for donations. The donations made by each club in the district will be delivered to Tonga via the New Zealand district that the Rotary Club of Nuku alofa belongs to.

It is said that around the world, 535 million children

live in regions or countries with emergency conditions such as a disaster, conflict or a volatile climate, and that children in such locations find themselves in the most vulnerable position. As Rotarians, we must infer the situation of the children of Tonga and offer them a helping hand early on. Moreover, we must extend that helping hand to the rest of the world as well and continue activities through which children can take flight towards the future within a safe environment. Your understanding and cooperation with respect to this endeavor would be appreciated.

March is "Water, Sanitation and Hygiene Month." Our world still contains many, many countries and regions that require assistance in improving their environmental hygiene for people to live as human beings. That means guaranteeing safe drinking water and sanitary toilets and warding off infectious diseases. Where such things are a given in Japan, looking at the rest of world, it is evident that there are still places in dire need of assistance. A number of clubs in District 2750 as well are utilizing Global Grants in joint efforts to provide support. However, this support has yet to fully reach all regions that still greatly need help. I would like our members to join the "Gathering of Service" initiative being implemented by the District Service Program Committee, learn about methods for rendering assistance and join hands to form a circle of support that extends across the world.

The time has come for us to put "Connect with a spirit of service, from the region to the world" into actual practice.
