Governor's Message

Rotary International District 2750 2022-23 Governor

Yoichiro Miyazaki

**It doesn't matter
if we don't take action.**

Hello everyone, I am Yoichiro Miyazaki, Governor of District 2750 (a member of the Rotary Club of Tokyo Mitaka). I look forward to working with you for the year ahead and seeing you all in various Rotary activities. Please feel free to call me "Cyclist" Governor. I would like to take two-shot photos with as many of you as possible with a smile on your face.

As we begin the new year, please take on a new challenge (set a goal) in your Rotary activities, health, hobbies, work, etc. It can be something achievable in one year or something that will take years. Then, at the end of June next year, why don't you prepare a reward for yourself for taking on the challenge? You will surely have a healthy, energetic, and fulfilling year!

I hope that you will make good use of the "Eradicate Polio" and "Create Hope in the World" activities to revitalize your clubs and help "Grow Rotary" in our district.

For the year 2023-24, our district slogan is "It doesn't matter if we don't take action". As People of Action, we will practice "Take action" and "I serve". Rotary is meaningless without fun! Let's think about what we can do ourselves to carry out Rotary activities and act with fun and smiles.

I will also be taking up "End Polio Now" Cycling Challenge again, as I did last year. With a smile on my face, I will ride from the Sea of Japan to the Pacific Ocean, about 300 km in one day. I experienced 200 km ride in a day 40 years ago, but more than that is an unknown world for me. Should my challenge succeed, I expect as many Rotarians as possible to become members of the PolioPlus Society by pledging to contribute one hundred dollars each year.

Now, July is "Maternal and Child Health Month". Each year, an estimated 5.9 million children under the age of five die worldwide. The causes are all preventable, including malnutrition and lack of proper medical care and sanitation. We, Rotary Members, firmly believe that no mother and child should ever lose their lives to these causes. It is essential to ensure that all mothers and children have access to quality health care, that no mother loses their lives in childbirth, and that children thrive. Let's promote maternal and child health in a sustainable manner by enabling the communities to protect their health through our training and support activities.
