# JULY 2024

## Governor's message

# “Change the world with the Magic of Rotary!”

Rotary International District 2750, 2024-25 Governor **Chie Ito**

## “Let's fly up ! with the origin in our minds”

### ~The year of challenging change~

On July 1, more than 37,000 Rotary clubs in more than 200 countries and geographical areas around the world started the new Rotary year under the leadership of Rotary International President Stephanie Urchick.

As governor of Rotary International District 2750, I am charged with the responsibility of communicating President Urchick's policies to the clubs and their members in our district, and of helping your clubs become more vibrant. I look forward to working with you throughout the coming year.

2024-25 presidential theme is “The Magic of Rotary”. President Urchick said, “We are not going to end polio or bring peace to the world by waving a wand and saying some funny words. It's up to you. You create the magic with every project completed, every dollar donated, and every new member.” The president also emphasized “change” by adding “The theme color orange represents change, and blue is a color that motivates open communication. Combined, these colors represent our burning need to move forward together as we change ourselves and change the world.”

Change is very important for our survival and development. At the same time, our origins and principles must be unwavering. The challenge for Rotary Club now is to think about what each club should do to remain vibrant

and energetic for the coming decades, and to act accordingly. To achieve this, we must change. Then, it is precisely in times of great change that we need to reconfirm our origins. We will ascertain them and move forward into the future with flexibly responding to change. It is my hope that this year will be one of such challenges. Let us consider what change we can make in each club this year to revitalize our clubs.

On another note, this year we will place importance on “connections” and strengthen our ties with PBG, with Rotaract, and with the family of Rotary in our district. By doing so, we can expect to deepen mutual understanding and create a stronger force through cooperation.

Furthermore, your club-to-club connections have unlimited potential for meaningful and significant service activities. Objects of such connections can be anywhere in the world. This is Rotary's charm and strength.

It is said that life is a challenge to possibility. In Rotary, you will find many opportunities for challenges. Rotary's origin and philosophy lie in the Object of Rotary, the Four-Way Test, and the Core Values. I hope that your club will continue to cherish these values, make change to suit your club, and further refine your club's individuality with new challenges. Let's create sustainable, positive change with the “Magic of Rotary”!
