Connect with Us! District 2750 ~Looking to the Origin and the Future

2024-25年度 国際ロータリー第2750地区 ガバナー 伊藤 千恵

Connections” are the links between Rotary club members, between clubs in a district, between Pacific Basin Groups, between Rotaract clubs, between Rotary families, and between Rotary clubs in a district.

Rotary clubs across the country and around the world. Connections strengthen our bonds, and when we work together, we create greater power.

Connections have unlimited potential for meaningful and significant service. This is the beauty and strength of Rotary.

In times of change, let us strengthen our connections, share the same vision, and work together to create the “magic of Rotary” for the future.

I hope that this district conference will be an opportunity for you to expand your circle of connections and encounter the magic of Rotary.
